## PRICE LIST 2014

### Clear Flexible PVC Hose

Description: A lightweight clear PVC hose, supplied from stock in 30M coils. Manufactured from the highest quality FDA approved materials. Our hose is suitable for food applications and is extremely tough and durable. Resistant to a wide range of chemicals. In addition to our stock range we can provide flexible PVC tube in most colours, and any size with any wall thickness up to 60mm. We can also supply flexible PVC profiles. Temperature range: -20°C to +60°C. Manufactured in the United Kingdom.
